GAY OLD POINT.

THE SUMMER GIRLS AND BEST FEL-LOWS WILL DO THE FOURTH.

Governor Woodfin's Pyrotechnics and Athletle Sports at the Garrison-Social, Civic, and Military Matters.

Secretary, E. B. Branch; Permanent Secretary, John W. Odd, Chaplain, I. J. Chris, The propriets and particle [Correspondence of the Richmond Dispatch.]

yesterday.
John P. Story, who with his daughter went to West Point to a graduating exercises, returned at Sunday morning.

This receipts of the action 387 John P. Story, who with his hogsheads, and the inspections 387 hogsheads. Sales of loose about 20,000 bounds. The total inspections for the year to date are 3,910 hogsheads.

ROBIN ADAIR. A RICHMOND GRADUATE.

LR. Blankenship, of Richmond, ast graduated from Annapolis, we days at the Hygela during the is trying to make up for the at on those long summer cruises four years. Miller, also a recent gradu-ng his vacation with his d and Mrs. Miller. mooke, post surveen, basre-two-weeks tour of special

Lavell, of the monitor fleet, a Monday for a breath of fresh nant John D. Barrette, Third artil-

oth on a month's leave, and W. W. Grout, of Vermont, a tow days' test during the

daily to attend the Sam Jones meetings.

An Atlantic and Danville freight train ran over a cow yesteriay and several cars.

Mary Pace, Miss Johnson B.

It and Mrs. Otway S. Allen, McDonald, Miss Magrie War, Lillie Warren, Miss Namine inherstalt, C. L. Todd and extra teacher of the cadet engineers' practice steamer standish.

Orders have been received at the navy ard to prepare the dry-dock for repairs to the cadet engineers' practice steamer standish.

A unimber of additional special policemen have been appointed for Norfolk. Captain Thomas Cunning-tohnson, Hay T. Thornton Savage, from Bigger, Miss P. Lathrop, Mrs. James T. Virguna Johnson, R. D. George T. King and wife, R. D.

Unsatisfactory-Proposed Hos-

Permanent, Va., June 28, 1880, optor for Factory commenced a to-day, the water supplied being About eight years ago! wrote you from Wilkeness and the sevent monte, or about 159,000 gallons of burdeness and as the sevent hours. Fullower hundred thousand gallons are needed to keep the sevent hours of the control of the sevent hours of the s

It is expected, however, that in the manufacturing and industrial statistics Petersburg will show up very handsomely. There has been a great improvement in the out-put. There are about one hundred and twenty five of them in such braid of the continuous peration at this time.

The address recently delivered before the A.P. Hill Camp of Confederate Veterans by George S. Bernard, Esq., on the "Battle of the Crater," is to be published in pamphlet form, and as such will be issued that that has yet been published.

BUILD THE HORPITAL.

BUILD THE HORPITAL. There are at present fifty-three inmates a the city almshouse-eixteen white and cirty-seven colored. The total cost to be city for the support of this institution aring the fiscal year ending June 30th as \$4.82.07. The Common Council will resked on the let of July to appropriate.

INCREASED VALUES.

Female Department of the Eastern Lunatic Asylum Terribly Crowded-Workman Severely Injured.

[Correspondence of the Richmond Dispatch.] [Correspondence of the Richmond Dispatch.]

Nonrotz, June 28, 1800,
The State assessors appointed the first of the year to assess the values of property in this section for the next five years are closing up their work and will have their books ready for court early in the ensuing month. If the increase of values extends throughout the State in propertion to the increase hereabouts the commonwealth will show for the last half decade an advance in substantial. to the Ordnance Corne.
